2018 Compost Bin Sale

OVERVIEW/DETAILS

NRRA is pleased to offer its annual compost bin sale once again. As in the past, you can offer these for sale to your residents or other folks at your cost, or you can use this as a fundraiser. NRRA will still assist groups with providing promotional poster and order form templates.

Due to transportation/logistics, all orders must be made in full pallets. (see participation packet for pallet sizes). All pallets will be direct shipped to their final destination, and all pricing will include shipping. If you are unable to commit to ordering full pallets, we encourage you to work with another group or town in your area and share the order.

We will collect orders through Thursday, March 15, 2018. All payments collected by you should be made out to your group. Final payment to NRRA should be made in one check from your group to NRRA.

It is your choice whether you sell these at cost or use this even as a fundraiser. Even if you are selling at the fundraiser prices, pricing for all items is still well below retail costs. So unlike other fundraisers, you are offering a great value for the dollar.

Timeline of Events

Now Sign up for sale. **Intent to Participate must be received no later than Feb. 9th** – send in your participation form. Upon receipt, NRRA will send you a customized order form and poster that you can use to promote your sale. Collect orders until March 15, 2018.

Mar. 15 Orders are due to NRRA no later than 4:00 p.m. on March 15th

April 16 – Apr 20 Deliveries will occur (you will be contacted prior to delivery to coordinate) **Payment for entire order is due to NRRA upon delivery to your facility**

Apr 20 – on Pick up of orders from your group/organization

Note: All orders will be shipped directly to the location requested. Our truck will deliver items on pallets and will get the pallet to the end of the truck. You will need to have the ability to unload the truck (forklift, loading dock, or folks available to assist in unloading). If you do not have the ability to unload the pallets off the truck, we can provide that service for a flat \$ 50 charge. Deliveries will be prearranged with you and they will occur

Approximately between April 16th through April 20th. You will then be able to distribute the orders.

PRODUCT INFORMATION

You may choose to order/sell any or all of the items below. The only stipulation is that each item must be ordered in the appropriate increments as noted on the order form.

COMPOST BINS

In 2012, 27.6% of waste sent to landfills consisted of food and yard waste, according to the Environmental Protection Agency. The use of backyard composting systems by residents can divert this waste and help residents benefit from fresh compost.

- Easy snap together assembly
- Twist locking lid
- Harvest door, for easy compost removal
- Vertical and horizontal ventilation
- User guide, harvest door, lid and screws included
