PRESS RELEASE

Kristen Bergeron (Henniker, NH) Receives “Rookie of the Year” Award for Recycling Efforts

EPSOM, NH (June 7, 2018) - The Northeast Resource Recovery Association (NRRA) recognized Kristen Bergeron, Superintendent of the Henniker Recycling/Transfer Station, with the “Rookie of the Year” Award on Monday, May 21, 2018 at NRRA’s Annual Conference and Expo, held at The Manchester Downtown Hotel (formerly the Manchester Radisson) in Manchester, NH. The “Rookie of the Year” Award recognizes an individual who is making great strides to improve recycling in a new role.

Kristen has been working at the Henniker facility for several years as an operator/attendant a role in which she took great pride and at which she excelled. She only recently assumed the role of “Superintendent” after her predecessor, Bill McGirr, retired. Kristen had become so popular with the local residents that many of them wrote letters to the Selectmen praising her efforts and supporting her as the new Superintendent. In fact, she was nominated by one such resident, renowned earthworm enthusiast, Joan O’Connor.

NRRA is looking forward to working with and assisting Kristen in her new role as the Henniker Recycling/Transfer Station Superintendent, we know she’ll do a great job!
